

Supporting the Sanderson Athletic Club and Sanderson Student-Athletes With The Kroger Cares Card

The Sanderson Athletic Club is now participating in the Kroger Cares Program. You can support the student-athletes at Sanderson High School by purchasing and using the Kroger Cares Card. Your Kroger Cares Card, for an initial purchase of \$5, will start with an account balance of \$5 and can be used to purchase groceries at any Kroger store.

To support the Sanderson Athletic Club on an ongoing basis, we hope you will add money to your card ("reload" your card) from time to time and then use your card each time you buy groceries at Kroger. The card you've been given can be used over and over again for an indefinite period of time.

The serial number on the gift card is linked to the Sanderson Athletic Club's account with Kroger. Kroger gives the Club 5% of the total amount of funds reloaded onto all the cards linked to our account! Everyone needs groceries! What a great way to help the Sanderson Athletic Club, especially if you regularly shop at Kroger!

You can reload your card at the customer service desk at Kroger or you can ask a cashier to reload your card before your items are checked out. You may pay for the reload with cash, check, debit card, or credit card. The card functions just like cash and cannot be replaced if lost or stolen.

When paying for your groceries with your Kroger Cares Card, you can also use your Kroger Plus Card to get Kroger specials. If your Kroger Plus card is linked to some other charitable organization, that organization still gets the same benefits as it would if you were not paying with the Kroger Cares Card.

The Kroger Cares Card can be used to purchase virtually anything at any Kroger including purchases at Kroger gas stations. (There aren't any of those around Raleigh.)

Summary: Each week (or month), when you go to any Kroger, stop at the service desk (any cashier can also reload your card prior to scanning your groceries) and "reload" your card with the amount you usually spend in a week (or month). Then simply use your card to pay for your groceries. There is no extra cost for you, but you'll have the satisfaction that you are helping to support the student-athletes at Sanderson High School every time you reload your card.

**Thank you for using and reloading your Kroger Cares Card
