*Clinics every Wednesday morning in July
8am - 11am*

This is not tryouts !!! If you want to attend, please do.

Bring a lot of water, snacks for break time and a towel

We will be doing a lot of strategy and a lot of doubles; be prepared to work hard.

Please email me if you will be attending, if no one responds, I will cancel the clinics

I need to get clearance first before you can attend clinic or tryouts.

Due to a prior commitment, I will be conducting tennis clinics in Jamaica the week of

August 3rd; therefore: **TRYOUTS have been moved to Monday, August 10th**

8 am - 12 noon

If there is a large number of young ladies trying out for the team, it may be necessary

to have tryouts also in the late afternoon 3:30 - 6:30

I will let you know if that will happen the first day of tryouts: Monday August 10th

I am very excited to be working again with Sanderson High School. I will give you

my maximum effort and I expect the same from you.

I am an easy going guy who loves to have fun. I love this game. Teaching tennis is

my passion. I hope to make tennis a passion of yours.

We will work hard, but we will laugh and have fun.

Most people call me coach. And that is how I like to be addressed. However, you can call me Mr. Mesiano, but I think it would be easier to call me coach. My family calls me coach, and now you are my extended family.

I expect a few things from my players.

- 1.) Be respectful and courteous at all times. On and off the court. Remember you will be representing Sanderson High School 24/7.
 - 2.) If you can not make practice, you need to call or email me. This is a must, so I know what is going on.
 - 3.) School work comes first. If you need to stay after school for extra help, projects, meetings etc during practices, I will understand. All I ask, is you let me know that you will be late for practice.
-

I will see you in July or the first day of tryouts.
