

## SHS PTSA MEMBERSHIP/NO FUSS FUNDRAISER

When you help Sanderson High School PTSA reach our dollar goal, you help coordinate the efforts of dozens of volunteers in the classroom, office and media center. You help make possible student recognition, teacher appreciation and educational advisory committees. Your support for the PTSA this year will also help fund a new technology lab, teacher initiatives, new books and other media, and a student directory. Our "No-Fuss Fundraiser" will fund special programs, communication between school and home (including the monthly Spartan Newsletter) and other educational enhancements. In a word, our PTSA works together to provide the best that we can for SHS students! Best of all - two words: NO FUSS! No magazine sales, no coupon books.

Please help the PTSA offer Sanderson students more ways to *succeed* by making your family contribution today! Enclosed for your convenience is a self-addressed envelope for your contribution. Together we can meet our PTSA goals with NO FUSS!

**PTSA Membership is \$8.00 per person (parent, faculty, staff or student).**

**(Note that PTSA membership and the No Fuss Fundraiser are separate. You must sign up for each individually; however you can write one combined check to pay for both)**
